## COMPOSTING TIPS

### PLEASE...

- ✓ Set your green lid compost cart out by 7 a.m.
- ✓ Place your cart at least 2 feet away from trash or recycling carts, vehicles and other obstructions.
- ✓ All compostables must fit in the cart. Always keep cart lid closed.
- ✓ Wash cart periodically or use certified compostable bags to prevent odors or pests.

### CERTIFIED COMPOSTABLE

Specialty items marked as "certified compostable" by the Biodegradable Products Institute (BPI) are also accepted.
